Non - revision of rates, which is stated to be the reason for the empanelled private hospitals opting to go out of CGHS empanelment in the recent months, seems to have caught the attention of the govt.

As per the reports appearing in the print media, the govt. is mulling with the idea of linking the rates with the whole sale price Index.

A report that appeared in United News of India on 13-05-2022 which has been widely circulated is reproduced below.

[Report by Ashish Srivatsava, New Delhi May 13th (UNI)]

The Centre may soon bring a model where the charges for the services of private hospitals under government health schemes will revise automatically and cut out the tedious process of rate revision generally mired with inordinate delays. The Union Government is planning to link the hospitals' rates under Centre-run health insurance schemes such as Central Government Health Scheme (CGHS) and Ayushman Bharat PradhanMantriJan ArogyaYojana (AB-PMJAY) with the Wholesale Price Index (WPI), sources told UNI. The

WPI is an index that measures and tracks the changes in the price of goods in the stages before the retail level. It is often seen as one indicator of a country's level of inflation. The WPI is also used as the base to revise the prices of drugs in the National List of Essential Medicines. Sources said the move is aimed to automate the revision of hospitalisation cost and allow the adjustment of charges with respect to the health care inflation. The prospect was discussed in a meeting held on Thursday with the representatives of top corporate

hospitals by the Union Ministry of Health and Family Welfare. Sources in the know of the development told UNI that the idea was floated by Union Health Minister Mansukh Mandaviya in the meeting. NITI Ayog member (Health) V.K. Paul and National Health Authority (NHA) chief Dr R M Sharma were also present there. "What could be made out of the discussion was that the proposed system will be kind of a Dearness allowance for private health care entities. It would enable the adjustment of hospitalisation cost at par with health care inflation" according to the source. The industry experts have claimed that the recurring delay in the revision of rates under CGHS has led private hospitals to face huge losses. According to the Association of Healthcare Providers India (AHPI), the Union Health Ministry has outstanding dues of over Rs.500 crores that it owes to the private hospitals under the

CGHS across India. The body has highlighted that there are inordinate delays in reimbursement to hospitals and low rate for reimbursement which has not been revised since 2014. "Due to these factors, CGHS is losing its sheen among hospitals as well as among beneficiaries" a body that represents the majority of healthcare providers in the country has said in a statement. However, Giridhar Gyani, Director General, AHPI feels positive about the likelihood of the latest proposal discussed in the meeting at the Union Health Ministry. He said the move is expected to save the losses private hospitals incur due to delays in rate revision by the government. "It is a good step. Making space for automatic adjustment will not let private hospitals incur losses on the services they provide while it will do away with the long delay in price revision" Gyani added.

There was good response to our request and many members sent us messages giving their suggestions on improving the services in CGHS and problems that they usually confront during their visits to empanelled private hospitals. We have taken note of all the suggestions/grievances and will submit a paper with a consolidated and detailed note on CGHS issues to the officers from CGHS Directorate in our meeting with them.

As a prelude to the meeting the officers from CGHS Directorate are likely to hold with the stakeholders in Bengaluru shortly, the Additional Director CGHS Bangalore had called for a meeting on 17.12.2022 at 3 pm in her office which was attended by the representatives of the Coordination Committee of Central Govt. To the attention of pensioners drawing their pension from the Post Office SB account

We are receiving complaints from many Pensioners that some Post offices do not accept their request for conversion of their single PO SB account into a Joint SB account and inform them (Pensioners) that there are no provisions under the PO SB Rules for conversion of "pension" account into a Joint account.

And some post offices, reportedly, are not allowing credit of money by the account holders into the SB accounts to which their pension is credited. Some Post Offices advise Pensioners to open a separate SB account for credit of the interest on Senior Citizen Savings Scheme account

It may please be noted that from the date of amendments made to PO SB Rules in 2019-20, there is **No separate Pension SB account.**

All POSB account holders, including pensioners, shall operate only one **General SB account with all types of transactions.**

All restrictions which were earlier applicable to pension accounts stand removed and the accounts shall be treated as **NORMAL SAVINGS ACCOUNTS.**

The facility of **opening Joint SB accounts** by Pensioners and **conversion of single account into joint account** was introduced as far back as 2007 vide SB Order No.11 of 2007 conveyed vide OM No.113-10/2004-SPB dated 20-7-2007 of the Director General (Posts) in accordance with Gol, Ministry of Finance Notification No. 2/5/2006-NSII(L) dated 12-07-2007.

Advantages of a joint account

Karnataka P&T Pensioners' Association, notified an item for discussion in the 23rd meeting of the Standing Committee of Voluntary Agencies (SCOVA) held on 20-09-2013, suggesting to dispense with submission of Application in Form-14 for sanction of family pension as the retiring employee has to submit

a joint photograph with the spouse along with the application for pension and the amount of family Pension(FP) payable and the name of the spouse eligible for payment of FP is recorded in the Pension payment Order (PPO). It was also suggested by the association that a simple application on a plain paper to the Pension Disbursing Authority requesting for sanction of the Family Pension (enclosing the death certificate in respect of the pensioner) should be sufficient instead of insisting on submission of an application in Form-14. This will avoid the cumbersome procedure of filling up the details required in Form-14 and attestation of signatures etc, by two Gazetted Government servants. (Page-2: Pensioners Champion August, 2013)

The Department of Pension and PW accepted the suggestion and issued an order on 20-9-2013 dispensing with submission of Application in Form-14 in **case the pensioner and spouse are holding a joint account.** (Order in page 24 of Pensioners Champion September, 2013)

We request pensioners to convert their single SB account into a joint account if they have not already done so, to facilitate hassle free sanction of family pension.

In a nutshell, after amendments to the SB Rules,

- (1) There is NO SEPARATE PENSION SB ACCOUNT
- (2) Present pension account can be converted in to a Normal SB account and **all types of transactions**(Deposit & Withdrawal) can be made with or without Cheque
- (3) Present pension single account can be converted in to a joint NORMAL SB account with spouse.
- (4) Pensioner can open a single account or a joint account with spouse

The relevant amendments to SB rules which deal with Normal SB account and Pension SB account communicated vide SB

orders No.13/2019 dated 18.12.2019 and SB order No.12/2020 dated 14.2.2020 are reproduced below for the information of pensioners.

We do hope that all the doubts expressed by the members of our association on Single

SB account (with or without cheque), Joint SB account and of course the **Pension SB** account will be put to rest on a reading of the amended SB rules.

Pensioners concerned may pursue their cases with the POs/HPOs concerned citing the amended SB Rules.

An update on revision of pension of BSNL Pensioners furnished by Sri K.G. Jayaraj, General Secretary, All India BSNL DOT Pensioners' Association (AIBDPA)

*PENSION REVISION- IMPORTANT MEETING HELD WITH SECRETARY, DOT, ADDITIONAL SECRETARY, MEMBER (SERVICES) AND MEMBER (FINANCE).

Com. V A N Namboodiri, Advisor and Com.K G Jayaraj, General Secretary met Shri. K Rajaraman, Secretary, Department of Telecommunications on 27-04-2022 for a discussion on pension revision. The Secretary was busy with some important work. So he authorised the Additional Secretary to have a detailed discussion and report back to him. Accordingly, we met Shri V.L. Kantha Rao, Additional Secretary and made a detailed presentation on the justification of pension revision with 15% fitment recommended by the 3rd PRC from 01-01-2017, delinking wage revision. The queries raised by the Additional Secretary were adequately clarified by the delegation and thereafter he agreed to give the reply in due course. The delegation also brought to his notice a very genuine issue of denial of family pension to the wife of the missing Regular Mazdoor, Shri Jog Rao by the BSNL, Visakhapatnam administration by mishandling the issue. Another issue of denial of family pension to the widow of the late DoT employee, Shri Laxman Sitaram Neware of BSNL Nagpur also was brought to the notice of the Additional Secretary. The most pitiable condition of the family and the sad demise of the eligible family pensioner, Smt. Urmila Laxman Neware were narrated to him. He responded positively and assured necessary action on both the cases.

The delegation, then met Shri Dileep Pandhye, Member (Finance) and discussed the issue of Pension Revision. He stated that the issue is being examined and whatever is required from his side, he was always ready

to extend. The Member (Finance) having additional charge of Controller General of Communication Accounts, the delegation brought to his notice the delay in payment of provisional pension to VRS retirees of Maharashtra by the CCA, Mumbai. Member (Finance) asked the delegation why it is being delayed and the delegation clarified that there is a blame game between the CGM office Maharashtra and CCA, Maharashtra. The delegation also urged the Member (Finance) to give necessary instruction to grant regular pension and issue PPOs to the VRS retirees as per rules. The Member (Finance) assured necessary action. The delegation also met Shri Ashok Kumar Mittal, Member (services) and discussed the issue of pension revision. He stated that DOP&PW has raised some objection of anomaly in the case of pension revision without wage revision and the delegation replied that anomaly is nothing new but could be settled with suitable formula.

MEETING WITH DOP&PW.

Com. V.A.N. Namboodiri Advisor and Com. K.G. Jayaraj General Secretary visited both offices of Department of Pension and Pensioners Welfare, at Loknaya Bhawan, Khan Market, New Delhi and at Janpath Bhawan, Janpath, New Delhi on 29-04-2022.

The delegation first discussed the issue of pension revision of BSNL absorbed pensioners with the concerned officers. They pointed out that certain officers at DoT have told that the approval of DOP&PW is necessary for processing the issue of Pension Revision. Shri Charanjit Taneja, Under Secretary stated that a clear and definite proposal has to come from DoT, being the administrative department. They should also evolve/ formulate a formula to avoid anomaly, if any, for the post 2017

pensioners. The delegation replied that anomaly is nothing new and is a common phenomenon and could be settled with one or another formula.

Thereafter the delegation met Shri Naresh Bharadwaj, Deputy Secretary and brought to his notice the detailed letter sent earlier to him on the poor functioning of CPENGRAMS with scant regard to the guidelines issued by the DOP&PW. The

delegation pointed out two glaring cases of closure of the grievances based on irrelevant rather absurd replies received from the lowest level of officers of the concerned department. Another case was closed by giving the contact address of the concerned officer. The guidelines issued clearly reiterate that no grievance should be closed until its final resolution. He assured to examine and do the needful.

Procedure for implementation of change of option by a Pensioner/ Family Pensioner from FMA to CGHS (OPD) facility and vice-versa

The undersigned is directed to say that the Central Government Civil Pensioners/Family Pensioners residing in areas not covered under Central Government Health Scheme administered by the Ministry of Health & Family Welfare and corresponding health schemes administered by other Ministries/Departments for their retired employees for meeting expenditure on their day-to-day medical expenses that do not require hospitalization, are entitled to receive a monthly Fixed Medical Allowance (FMA). The amount of FMA was revised from time to time and was last revised to Rs.1000/- p.m. w.e.f. 01.07.2017 vide this Department's OM No. 4/34/2017-P&PW(D) dated 19.07.2017.

2. Only those Pensioners/Family Pensioners who are residing in an area not covered by CGHS, and specifically opt for not availing of OPD facilities in the nearest CGHS dispensary, are entitled to medical allowance. An option is required to be exercised by a retiree at the time of retirement for availing OPD medical facility or FMA. Only one change in option in the life-time of a Pensioner/ Family Pensioner is allowed.

3. The Department-related Parliamentary Standing Committee on Personnel, Public Grievances, Law and Justice, in its 110th report on "Pensioner's Grievances-Impact of Pension Adalats and Centralized Pensioners Grievance Redress and Monitoring System (CPENGRAMS)" has made following recommendation :

(3.22) The Committee takes note of the difficulties faced by pensioners in surrendering their Fixed Medical Allowance (FMA) and getting FMA Surrender Certificate to avail CGHS indoor & outdoor (OPD) facilities, and, accordingly, recommends DoPPW and CGA

that the procedural loopholes coming in this way should be plugged and ensure that all such pensioners should get FMA Surrender Certificates in a hassle free manner through online mode under intimation to the bank concerned and a timeline should be fixed in this regard.

4. If a Pensioner/Family Pensioner who is residing in a non-CGHS areas and is in receipt of FMA, intends to avail the OPD facility under CGHS, etc. he has to forego FMA to become eligible for OPD facility under CGHS. However, in the absence of any guidelines for discontinuance of FMA by the Bank and issue of CGHS card for OPD facility, Pensioners/ Family Pensioners are often facing difficulty in exercising revised option in this regard. The matter has been examined in consultation with Ministry of Health and Family Welfare and Central Pension Accounting Office and the following procedure is laid down in this regard:-

(i) If a Pensioner/ Family Pensioner residing in non-CGHS area shifts his/her residence to a CGHS covered area, he/she no longer remains eligible for FMA irrespective whether he/she avails the CGHS facility or not. It will, therefore, be the responsibility of the Pensioner/Family Pensioner that on shifting from a non-CGHS area to a CGHS covered area and while requesting for change of address from a non-CGHS area to a CGHS covered area, he/she will apply to the Bank in **Form 2** for discontinuation of his/her FMA. The pension disbursing banks will also make a provision in their system so that whenever a Pensioner/Family Pensioner gives an intimation regarding change of residence from a non-CGHS area to a CGHS covered area, the FMA being paid to the Pensioner/Family Pensioner would automatically be stopped,

irrespective whether or not the Pensioner/Family Pensioner has requested in Form-2 for stoppage of his/her FMA.

On receipt of an application in Form-2 from the Pensioner/Family Pensioner, who has shifted from a non-CGHS area to a CGHS covered area, the Bank will issue a certificate in **Form-3** regarding discontinuation of FMA to the Pensioner/Family Pensioner **within three working days** from the date of receipt of the application for the said certificate. Thereafter, it will be open to the Pensioner/Family Pensioner to apply to the CGHS authorities for issue of a CGHS card for both OPD and IPD facility, by payment of requisite CGHS contributions.

In case the Pensioner/Family Pensioner applies for issue of a CGHS card, the same will be issued to him/her by the CGHS authorities as per their laid down procedure, if the Pensioner/Family Pensioner otherwise fulfils the eligibility conditions for issue of CGHS Card. The CGHS authorities will, however, issue a provisional CGHS card to the Pensioner/Family Pensioner **within four working days** from the date of completion of all formalities and deposit of contributions by the Pensioner/Family Pensioner and such provisional Card will remain valid till issue of a final CGHS Card.

(ii) If a Pensioner/Family Pensioner, residing in a non-CGHS area and availing FMA in lieu of OPD facility, intends to avail CGHS facility for both OPD and IPD, he/she may apply to the concerned branch of the pension disbursing bank in Form-2 for discontinuation of FMA, to enable him/her to apply to the CGHS authorities for the CGHS facility. The Pensioner/Family Pensioner will also give an undertaking in Form-2 to the Bank that the option being exercised by him/her to avail medical facility under CGHS or other similar Health Scheme of their respective Ministry/Department, is a one-time option and that he/she has not availed the facility of

change of option from CGHS to FMA in the past. The pension disbursing bank shall, thereafter, stop the payment of FMA in respect of such Pensioner/Family Pensioner and issue a certificate in Form-3 to him/her regarding discontinuance of FMA, **within three working days** from the date of receipt of application.

Thereafter, the Pensioner/Family Pensioner may apply to the concerned CGHS authorities for issue of CGHS card for both OPD as well as IPD facility after paying requisite CGHS contribution, if not already paid. The CGHS authorities will, issue the CGHS Card (including OPD facility) to him/her as per their procedure, if the Pensioner/Family Pensioner otherwise fulfils the eligibility conditions for issue of CGHS Card. The CGHS authorities will, however, issue a provisional CGHS card to the Pensioner/Family Pensioner **within four working days** from the date of completion of all formalities and deposit of contributions by the Pensioner/Family Pensioner and such provisional Card will remain valid till issue of a final CGHS Card.

(iii) After discontinuing the FMA, the bank will make necessary changes in both halves of PPO in regard to discontinuance of FMA. The CPPC of the concerned bank, shall send an intimation to the Central Pension Accounting Office (CPAO) in the proforma at **Form-4** for updating the record. CPAO will thereafter forward the intimation to the concerned Pay & Account Office (PAO) after updating the data in the PARAS (i.e. CPAO's database). On receipt of intimation from CPAO, PAO will inform the change in status to the concerned Head of Office for record.

5. If a Pensioner/Family Pensioner, who is availing CGHS/medical facility for both IPD and OPD, intends to avail FMA while residing in a non-CGHS area or on shifting of residence from a CGHS area to a non-CGHS area. he/she may apply to the CGHS authorities for surrender of OPD facility under CGHS. On receipt of an application to this effect, the

CGHS authorities will make necessary endorsement on the CGHS card and issue a certificate **within four working days** from the date of receipt of application, that the Pensioner/Family Pensioner is not availing OPD facility and is availing only IPD facility under CGHS. Thereafter, the Pensioner/Family Pensioner will submit an application to the Head of Office along with copy of the surrender certificate for issue of a revised pension payment authority for payment of FMA. The case for issue of the revised pension payment authority will then be processed in the usual

manner through PAO and CPAO and sent to the Pension Disbursing Bank for payment of FMA along with monthly pension. The revised Pension Payment Authority will be issued **within two months** from the date of submission of application by the Pensioner/Family pensioner in this regard. The payment of FMA in such cases will, however, be made **from the date of issue of the surrender certificate by the CGHS authorities.**

**CGHS-Opening of a Wellness Centre in Sahakaranagar, Bengaluru-560092
Karnataka P&T Pensioners' Association, writes to the Secretary, Health**

No. KPTPA/CGHS/2022

dated at Bangalore

the 19-05-2022

Shri Rajesh Bhushan
Secretary, Health & Family Welfare,
Ministry of Health & Family Welfare,
Room No.156-A, A Wing, Nirman Bhavan,
New Delhi-110011

Respected Sir,

**Opening of a new CGHS
Wellness Centre in
Sahakaranagar of Bengaluru City**

At present, there are 10 CGHS WCs and one Polyclinic in Bengaluru City and large areas of the city remain uncovered by CGHS. In northern part of the city, there are many residential areas where there is concentration of Central Government employees and pensioners including BSNL retirees, which are required to be brought under Central Govt. Health Scheme (CGHS)

Sahakaranagar, Bengaluru 560092 a very well developed Residential Layout off Bengaluru International Air Port Road, developed by the Ministry of Communications Employees Cooperative Housing Society Ltd, has a large number of Central government employee and pensioners including BSNL pensioners residing there.

Many other residential areas which are contiguous to Sahakaranagar, Viz. Sivarama Karantha Nagar, a Layout formed by the same housing society, Telecom Layout, formed by the Telecom Employees' Cooperative Housing Society, Tatanagar, Vidyanarayapura, Coffee Board Layout, Yelahanka, Yelahanka Satellite Town, Kendriya Vihar also have a large number of Central Government Employees and Pensioners including BSNL

retirees, residing there who, at present, are not covered by CGHS,

Hence, there is every justification for opening a CGHS Wellness Centre in Sahakaranagar, Bengaluru 560092, a well-developed employees residential Layout with good road connectivity - connected to the City by the Bangalore International Airport Road. A CGHS WC in Sahakaranagar will cater to the needs of medical facilities of a large section of Central government employees and pensioners including BSNL Pensioners residing in the residential areas mentioned above.

Further, the Board of Directors of the Ministry of Communications Employees Cooperative Housing Society Ltd has offered to let out 2 floors of its own building measuring about 5,000 Sqft in Sahakaranagar with all essential facilities and ample parking space for vehicles. The Society is also ready to provide any other facility that is required for establishing a wellness centre in their building. It has also assured that the monthly rent will be "a fair rent"

We, therefore, request you Sir, please to consider opening of a CGHS Wellness Centre in Sahakaranagar, Bengaluru 560092 which will definitely go a long way in facilitating thousands of Central Govt. Employees and Pensioners residing in the residential areas mentioned above in having access to the best Medical facilities being provided by the CGHS to its beneficiaries in the country.

Thanking you,

Yours faithfully
K.B. Krishna Rao

Our Readers Write

The book titled 'Operation Khedda of a Non-pachyderm' - by Sri M. Ramiah, former vice-president KP&TPA.

Comments/ reviews by the readers of the book

A must read book "Operation Khedda"

Shri M. Ramiah Sir, the author, gives a vivid account of nabbing the culprit in our Department for his criminal acts. To read of a detective's daring finesse or his ingenious stratagem in his professional work is a rare joy because only the persons well versed with criminal psychology can be a good detective. Further, presenting it in a book only a few can do. So, it is a rare joy.

The author's elephantine memory is needed to be appreciated. Recalling the investigations that were conducted 54 (fifty four years) ago when he was IRM Mysore and presenting them to the minutest details is a challenging task and he has been successful in this task.

I had the privilege of working under the author and can vouch for his rich vocabulary. Keeping in the mind of the average reader, the author has deliberately used simple language so that the book could reach the mass.

The author's tenacity in investigating the abstraction of Express Delivery articles paid off when Divisional Superintendent Railways, Mysore Division made an oral complaint in a chance meeting. As the author rightly says "the lesson is not to ignore small clues". The leads that he got from the oral complaint, though a small clue helped him in nabbing the criminal. The documented story about abstractions that took place in Mysore RMS does not end here. Another, break through the author has achieved in solving the two insured parcel abstractions at a very short notice. The author has used uncanny methods in solving them.

This book is very ideal for the investigating officers as it reveals the skilful methods adopted by the author in detecting some of the mind-boggling abstractions and would definitely help their investigation skills in solving abstraction cases.

The book is to be read by every one of us to understand more about how our Department fights to protect its clean image. This is a must read for the serving employees in RMS as it spreads awareness on guarded working. This book can be recommended for case studies in PTC Mysore for both SA and IPS/ASPS. Rightly it has been said in an earlier comment that the author essayed a great role of the famous Belgian detective Hercule Poirot in the famous detective novels of Agatha Christie for whom there were no unsolvable criminal cases.

Opinion on "Operation Khedda...."

Shri Ramiah deserves all appreciation not only for the successful investigation but also its perfect presentation in a lucid style and flowery language.

I am happy to go through it for the reason that the subject is very close to my heart. Of course, the two hall marks of an Inspector in those days were brilliance in Inspection and Investigation. I also feel proud for the reason that I had the privilege of working under many officers named in the book and also direct/indirect influence of others.

Shri Ramiah had maintained cordial relation with staff as seen during strike of 1968, and also many who assisted him during preliminary enquiries. His indigenous methods adopted specially suited to the circumstances are seen in comparing signatures on cheques, getting letter written from an official in Arsikere, fake case of life threat to the suspect and others. Of course nothing is unfair in investigation if it is within limits. It remains unanswered as to how the later culprit was included in the list of dependable officials and the official himself did not take advantage.

The investigation which was of loss of contents of articles turns out to be of substitution of wrapper. As a sequel to the main investigation, the author has added one more investigation of loss of two insured articles which he has to do before leaving the Sub division. This has added to richness of the book. The turning point can be seen when the author meets the DS Railways who narrates his case and also makes over a different wrapper of the article received by his father in law. In investigation, often, when evidence might have gone unnoticed, not available despite best efforts, was most essential but never known, somehow some clue in some form from an unknown source will appear which links facts to have successful investigation. The enquiry officers name it "nemesis" In the cases referred to in the book it gets reflected in meeting with DS Railways, his making over some articles, case 4 investigated in CFTRI at the behest of SSP, Mysore, 'anonymous' letter by the culprit in the case of loss of Insured articles etc.

The insinuating and disrespectful remarks about character during cross examination make anyone miserable. The disturbed mood of the witness while getting down from the witness box could only be known to similarly tortured officials.

The investigation had special features in that, for fact finding and on the spot probe, the judicial authority visits the premises which helped in punishment to the official and relief to the investigating officer.

The book brings to memory the then process of enquiry to seniors and a scope for those in field to know tricks and revise methods in the changed circumstances of computerisation etc.

An elucidation on "PACHYDERM" could have been added at least in Notes section as habit of referring Dictionary is forgotten now.

During the process of narration of events, it could be seen that a Co - investigating officer emerges who seldom appears openly but meticulously plans every step of action resulting in success and it is Shri B. Sadashiva Rao. Hats off to him and his skill.

My profound respects to Shri M Ramaiah, author for his efforts in presenting an account of a successful investigation which would not have been known otherwise. I sincerely feel this book should have appeared three decades ago...yes, Better late than never.
